INTAKE FORM · STUMP REPORT

Stump Report — Intake

Property Intelligence Report · Santa Cruz County

This intake collects the minimum information needed to produce a Stump Report for a specific parcel. Most fields are optional; only the Property Identification section is required. Completion time: under 15 minutes. Fields marked with an asterisk are required.

SECTION 01

Property Identification

The parcel this report will cover. APN or street address is required — either identifies the parcel uniquely in Santa Cruz County records.
